IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NOS. TF-03-164 TF-03-176
---	------------------------------------

ORDER REQUIRING REPORT

(Issued October 6, 2003)

On July 18, 2003, the Utilities Board (Board) issued an order in tariffs TF-03-164 and TF-03-176 that provided, among other things, for the parties to the proceeding to file a report identifying what issues, if any, there are with respect to the proposed tariffs. The parties filed a report on August 5, 2003, stating that there are numerous issues and that the parties were engaged in settlement negotiations. The proposed tariffs that are the subject of the proceeding would provide non-firm best efforts standby electric service to Interstate Power and Light Company customers with on-site generation.

The Board will require the parties to submit a second joint report within 20 days from the date of this order detailing the status of settlement negotiations and the expected date for conclusion of the negotiations. After reviewing the report, the Board will determine whether it is appropriate to set a procedural schedule or allow additional time for negotiations.

IT IS THEREFORE ORDERED:

Interstate Power and Light Company, the Consumer Advocate Division of the Department of Justice, and all intervenors shall file a joint report within 20 days of the date of this order containing the information identified in the body of this order.
